

SAFETY POLICY

OF

YIALOS MANNING SERVICES, INC.

Safety is everyone's concern and recognizes no rank. However, to be effective it has to be led by the company's management. For this reason, the management is committed to making all personnel more safety conscious and encouraging them to become actively involved in identifying possible hazards, implementing corrective actions and constantly monitoring all facets of their working environment to ensure that safety conditions prevail.

The Company provides a framework for establishing and reviewing quality objectives at relevant functions and levels within the organisation and this policy is reviewed for continuing suitability and improvement.

Learning is a never-ending journey on the road to excellence and effective training is fundamental to the Company's business and its safety culture.

As our standards improve, new goals and targets will be set to which all personnel employed by the Company shall strive to attain.

Everybody in the Company is committed to carrying out our duties to our Principal(s)' satisfaction as well as the reputation of **YIALOS MANNING SERVICES INC.**, which is directly dependent upon this working philosophy.
